A New Primary School for Central Barking - September 2024

If you would like your child to be considered for a Reception place at Greatfields Primary for September 2024, please email your details to us at office@greatfieldsprimary.com

Greatfields Primary is a brand-new school opening in September 2024 in superb new buildings next to Greatfields Secondary School in central Barking.

In its first year of operation the school will admit just one class of 30 Reception-age pupils. We will pride ourselves on providing the caring and friendly atmosphere often associated with smaller schools.

The school will benefit from being a member of the Partnership Learning group of schools, with close links to its successful primaries– such as Riverside Primary and Sydney Russell's Primary School.

Sarah Kinnaird, the experienced headteacher of Riverside Primary School, has been appointed to lead the school as Executive Headteacher.

Our motto “Excellence for All” sums up our ambition: Greatfields Primary School will deliver results above the national average for its pupils, grow the personal qualities of confidence and resilience, and develop skills for lifelong learning. We will also take advantage of the co-location with Greatfields Secondary School to help prepare pupils for their eventual move to secondary school.

Your child’s time at Primary School is very precious. We will provide a curriculum that acknowledges the importance of English and Maths as the building blocks of learning but teaches those skills in an exciting way, as well as finding time to focus on creative and artistic skills and making sure that we enjoy what we learn.
