Welcome to Greatfields - A New Primary School for Central Barking Opening September 2024

Greatfields Primary is a brand-new school opening in September 2024 in superb new buildings next to Greatfields Secondary School in central Barking.

In its first year of operation the school will admit just one class of 30 Reception-age pupils. We will provide the caring and friendly atmosphere often associated with smaller schools.

The school will benefit from being a member of the Partnership Learning group of schools, with close links to its successful primaries– such as Riverside Primary and Sydney Russell's Primary School.

Sarah Kinnaird, the experienced headteacher of Riverside Primary School, will lead the school as Executive Headteacher.

Our motto “Excellence for All” sums up our vision: we will deliver results above the national average for our pupils, grow the personal qualities of confidence and resilience, and develop skills for lifelong learning. Co-location with Greatfields Secondary School will help prepare pupils for their eventual move to secondary school.

Your child's time at Primary School is very precious. We understand the importance of English and Maths as the building blocks of learning but will teach those skills in an exciting way, as well as focusing on creative and artistic skills and making sure that we enjoy what we learn.
